

BLAKE FAMILY RECORDS

INDEX OF PERSONS

TO THE SECOND SERIES

The Blake Family Records compiled by Martin J Blake in 1902-3, were published in two volumes, volume one being the First Series containing documents for the period 1300 to 1600 and volume two being the Second Series containing documents for the period 1600 to 1700.

An index to the First Series was produced and appears at the end of volume two. No index was compiled for the Second Series.

This index contains the names of all persons appearing in the Second Series being volume two.

Names with the prefix Mc, O and Fitz are indexed by the first letter following.

Letters underlined indicate the name being spelt with or without the letter.
