Foreword

This index contains the names of all persons recorded in volume two of the three volumes of ' Transcripts of Ormond Deeds, 1603 - 1715.'

The three typescript volumes held by the Irish Genealogical Research Society within their manuscript collection, were presented to the IGRS by the late T. Blake Butler, FIGRS.

For this index the pages have been renumbered to include both sides of a page.

Names with the prefix Mc, Fitz and O are indexed by the first letter following.
Letters underlined indicate the name being spelt with and without the letter.
